CONFERENCE DETAILS

This year's conference is being held at the Marriot Hotel and Conference Center in Coralville, Iowa. Just 20 minutes south of Cedar Rapids, IA. It is the newest Conference Center in this part of the State and highlights Coralville's newly developed "River Front Landing". The hotel restaurant is one of the finest in the corridor or one can find any type of food / beverage within walking or a short driving distance of the hotel. The newest golf course is only .75 miles north and the Hotel Shuttle will gladly provide transportation. The Iowa City / Coralville area is full of activities that may spark your interest. For possibilities, visit the Iowa City / Coralville Visitors website:

http://www.iowacitycoralville.org/visitors_whattosee.asp

Please come prepared for a great conference during the day and a variety of wonderful night life possibilities.

LODGING:

Government room rates have been negotiated for you and your guests from Monday May 24th through Thursday May 27th for \$70.00 per night— Single/Double/Triple/Quad occupancy. Parking is \$5.00 / day.

Reservations may be made at the **Marriot Hotel & Conference Center** by calling **319-688-4000**. Please mention Reference Number: **1-UIORCE** (MATAI Conference) when making your reservation.

DIRECTIONS:

Whether coming from the east or west, north or south at some point you will get to Interstate 80. Follow I80 to exit 242. Take 1st Avenue South to the first traffic light (9th Street). Turn left on 9th Street and enter the River Front Landing area right up to the front door of the hotel.

AIRPORTS:

If you're flying in the closest airport is Cedar Rapids (CID), about 20 miles from the hotel. You may also wish to check pricing to/from Moline, IL Airport (MLI) which is approximately 60 minutes away.

VENDORS:

For this conference there will be no outside vendors approached. It has been my experience with this topic that breaks, lunch, etc are used by participants to further explore / expand on the topic itself. However, if there are members that have a product they are interested in offering, please feel free to contact the conference host for details.

ACTAR EXAMINATION:

An ACTAR Examination is scheduled for Tuesday, May 25th at the Marriot Hotel & Conference Center. Candidates must be approved and registered directly by ACTAR (www.actar.org). The ACTAR Administrator may be contacted at 800-809-3818 or by e-mail: actaradmin@actar.org A review will be provided on Monday, May 24 for those registered for the exam. Details will be included in your exam registration confirmation letter.

TOPIC

Human Factors For Crash Reconstruction

SPEAKER

This year MATAI is excited to have Mr. Jeffrey W. Muttart, M.A., ACTAR #96 as our 2010 Conference presenter.

Jeff Muttart is a research assistant in the Human Performance Laboratory at the University of Massachusetts and consultant and Lecturer for the Accident Dynamics Research Center. His research has focused on driver and pedestrian response and he has authored more than 20 published studies. Mr. Muttart completed a Master's degree in Experimental Psychology from the University of Hartford, where he was awarded the Wallace Award for Excellence in research and the Graduate Research Award. He is presently a Ph.D. candidate at the University of Massachusetts and has completed all course work requirements for a degree in Industrial Engineering and Operations Research. Mr. Muttart is also an ACTAR-accredited Accident Reconstructionist and has attended over 50 training classes and conferences.

Day one and day two will be Headlight Analysis, Night Time Recognition Distance, and some Driver Response Time. The third half day will focus on Path Intrusion Response Times. Jeff will also be using his software: V-STAR and IDRR. (**Requires Excel 2007**) (Demo Copies Provided)
